

SCVSR
Educational Solution

ABOUT US

School of Computer & Vocational studies & research has been registered as Autonomous Body, Under Govt. Of West Bengal based on Central Govt. TR Act, 1882, Govt. Of India (Reg. No. IV-190303126) & Inspired by National Task Force On IT & SD .Organization is working in different fields of Programme & job oriented courses conducted by the State Government & Central Government .This organization is also certified by ISO 9001 : 2015 Org.Also Registered Under Department Of Labour , NCT, Govt. Of India. Register Under Ministry of Micro, Small & Medium Enterprises, Govt of India. scvsvr is also associated with Planning Commission of Govt. of India, National Skill Development Corporation (NSDC) of Govt. of India, New Delhi, National Skill Development Authority (NSDA) Govt. of India, New Delhi

IMPORTANCE OF THE PROGRAMME

In present time, No of jobless candidate are increase day by day. So, practical training are need in our society and some big Institution run their certificate/ diploma program in higher charges, due to which the lower and middle class families of our society cannot afford the load of their charges. Our organization decided to provide better higher technical education in computer and vocational for every sector of society in affordable charges all over India

LIBRARY INFRASTRUCTURE

The SCVSR centers have a huge digital library with comprising basic computer book, functional Programming, Parallel Processing System Database Management System, Client Server Computing, Computer Networks, Operating System, Multimedia, Object Oriented Programming etc.The library subscribes to collection of Indian and foreign journals and periodicals in the functional and general areas thus maintaining latest espouses to the student and helping them keep abreast of the latest developments in the I.T. industry

SCVSR FACULTY

SCVSR faculty are full time, Qualified and friendly professionals, always there to guide the students, specially trained to understand students psychology the knowledge uniformly and put across difficult to understand concept with ease, Thus making students learning ventures smooth and easy. The whole training time is equally divided into theory and practical sessions

Computer Faculty have varying emphases, ranging from teaching basic computer literacy classes to classes on advanced principles of computer theory and practical. They might teach in a variety of educational settings, such as community classrooms, 12 schools or even postsecondary education institutions

Vocational training, also known as Vocational Education and Training (VET) and Career and Technical Education (CTE), provides job-specific technical training for work in the trades. These programs generally focus on providing students with hands-on instruction, and can lead to certification, a diploma or certificate

LAB FACILITIES

SCVSR centre have a good computer lab. The computer lab contains high configurations computers and connected with network and WI-FI zone

INTERACTIVE LEARNING ENVIRONMENT

The greatest advantage of SCVSR lies in its interactive approach concept which stimulates spirit of innovation and self-achievement. The courses give the students, freedom to develop their spirit of innovation and explore the professional world of computers with the guidance of SCVSR experienced faculty

1. Teaching methodology
2. Extensive hand on approach
3. Video Audio Learning System
4. Extra classes in career orientation and self development
5. Advanced practical through field work

After the completion of each module, the performance of the students is monitored through regular tests. Measure is taken to rectify their mistakes and improve their skills. All method of training are designed and updated with industrial view. Lectures are planned in such a way that they enable the students to appear successfully in the job market and handle interviews confidently

THE PLACEMENT CELL

The placement cell of SCVSR is responsible for coordinating the placement activities of the students of the institute. SCVSR assure their institute, 100% job assist through own job portal network. Almost all the placements activities are organized and coordinated by the students under the guidance of faculty

PLACEMENT PROCEDURE

Placement process is divided into following steps

1. Resume update on our job portal network
2. The company may deliver Pre-Placement talk about job details and job vacancy
3. Placement process may begin and can include conducting candidate interviews, testing candidates on their skill level, and requiring medical evaluations
4. Phone interview or face-to-face interview
5. Final Selection

SCHOLARSHIP

The Organization offers courses with annual scholarship under the Nigamananda Seva Mission at the end of each year.

School of Computer & Vocational Studies & Research offers Up to 100% scholarship to the poor and meritorious students for Computer Training.

School of Computer & Vocational Studies & Research offers Up to 50% scholarship to the poor and meritorious students for Vocational Training.

ELIGIBILITY OF SCHOLARSHIP

1. Students with meritorious result in any board examination.
2. Poor and meritorious ladies.
3. Physically handicapped persons.

SELECTION PROCESS OF SCHOLARSHIP

On the basis of general aptitude, admission test and interview, full scholarship is awarded to the candidate who fulfills the required criteria.

REGISTRATION PROCESS

To get registered, student has to fill the application form provided along with Information Brochure. Students can buy the Information Brochure from any of the Authorized Study Centre (ASC) and register in any of our SCVSR Authorized Study Center. The ASC name and code are to be mentioned in the application form at the time of admission. The total fees have to be paid at the time of registration by online Payment Process.

Enclosures with the Application Form:

1. Two recent photograph one passport size and one stamp size.
2. Attested Photo copy of last educational qualification.
3. Cast Certificate (ST/SC/Handicapped) to be submitted to get relaxation in the fees as per the SCVSR Study Centre fees structure.

COURSE STRUCTURE

Considering the requirements of the aspirants, courses can be classified into (i) Certificate courses (ii) Diploma & Advance Diploma courses.

Certificate courses: These courses have been specifically designed to meet the current requirements of the computer literacy. The Certificate course is basically for the beginners who desire to start their careers in computers & vocational industries. SCVSR has presented this course with nominal charges in all society.

Diploma & Advance Diploma courses: These courses have been designed thought out to meet the requirements of the fast growing IT industry in which Internet Programming, Advanced Programming, Accountancy, Desk Top Publishing are being covered & vocational courses.

CHAIRMAN MESSAGE

In the current world, it's almost impossible to imagine that someone can live without computers. They have become an electronic device of almost every day use for individuals of every age, and essential in almost all the business dealings that are made nowadays. The importance of computer training can be viewed in two ways. First, it is vital for job applicants to obtain computer training to make themselves more valuable to potential employers and to obtain higher-paying jobs.

Certificate programs are courses of study that can be completed in a small amount of time. Students can help enhance a person's career or personal interests. The Importance of Computers and vocational courses of Our Daily Live is essential and necessarily.

Vocational education is an advantage as VET programs offer practical skills and hands on training that trains students for specific jobs. The students who develop practical skills for particular field are more confident and perform better in interviews as well as jobs than the students with general academic background.

Vocational Education refers to a system or course of study which prepares individuals for jobs that are based on manual or practical activities.

I am sure our students ready for any challenges that the employer may have on them. I wish them great success in all their field area and achievement for a better tomorrow.

MISSION

The main function of the organization is to provide higher technical education in nominal charges for every group of society of Urban & Rural areas all over India and get success in computer & vocational revolution which is the main dream of Indian Govt.

VISION

Last two years success, conducting various commercial training and Skill Development programs. scvsr is working across whole nation with Authorized Study Center (ASC). Our organization decided to work for "Information & Technology for all" & "Skill development training of various vocational program for all youth generation" the slogan by the Indian Govt. For formulating the dream of Indian Govt. and try to fulfill the employment in the Electronics industry is estimated to grow phenomenally. Hence to facilitate skill development in ESDM sector focusing on students/unemployed youth at 9-10th standard onwards, ITI, Diploma, Non-engineering graduates, etc. to increase their employability to work in 'Manufacturing' and 'Service support' functions, a 'Scheme for Financial Assistance to select States/UTs for Skill Development in Electronics System Design and Manufacturing (ESDM) sector' was approved by Deity in November, 2013. A total of 90,000 persons are to be supported under the scheme in the selected States in 5 levels of vocational skill development courses recognized by NIELIT/Electronic Sector Skill Council/Telecom Sector Skill Council. The total outlay of the Scheme is Rs. 113.77 crore with Grant-in-Aid of Rs. 100 crore.

EXAMINATIONS FOR VOCATIONAL

Internal Assessment:

All students have to appear in monthly unannounced, Internal Assessment Tests in all the subjects including English (where applicable). The tests will be for theoretical components of all subjects along with the Viva / Oral, Practical.

The tests will be held on the topics taught in the previous fortnight/month in each of the subjects as per the scheduled logical coverage of those topics as per the syllabus. These tests will be for all courses and for each session, batch and sections.

Any student unable to appear in 1 or 2 tests (with valid justification for his /her absence) will be evaluated on the average of the marks obtained by the student in the balance tests taken by such a student.

Workshop training, site visit & special classes by guest lecturer may be arranged from time to time. Students attending such programs will have to submit project report on the same. These project-based reports will be considered during internal assessment.

Semester Exam:

Question will be set from the full syllabus for each of the semesters of each of the courses in the semester exams as the complete syllabus coverage in totality has been undertaken through the fortnightly/monthly tests.

Semester Theory Question paper pattern: Objective, Conceptual, application based and subjective types.

Session marks will consist of Attendance, Punctuality, Maintenance of Practical Note Books and Discipline.

Final Examinations will be held on completion of the full period of training in the respective courses.

The authority of the Institute will notify the Examination schedules for conducting Semester, Final & Supplementary Examinations in advance, and the same will be displayed on the notice board of the Centre only.

Schedule of Final Examinations regarding time and location will be intimated by the head of the concerned center via a notice on the Notice Board only.

All courses with duration of one year or more will have semester examinations at an academic interval of six-month. Results of these examinations will be counted in aggregate percentage for the final result.

All courses with duration of one year or more will have a Grand Viva examination in their final examination. Questions of the Grand Viva will cover all the subjects of all the previous semesters including that of the final.

Each student is required to appear for, and pass in, each and every paper (both theoretical, practical including the Internal Assessment, Communicative English subjects individually) in each semester and Grand Viva in final examination, in order to be eligible for being published in the final result.

In courses of more than one year's duration the Final Examination results will be prepared on the basis of marks secured at the final examination combined with marks accruing from semester examinations.

No student will be permitted to sit for examinations in any course unless all dues to the Institute are cleared and the Admit Card is obtained from the concerned office. Admit Card for examinations will be issued to students on production of valid Identity Cards and proof of dues clearance.

The examinee must bring his/her own instrument(s) as specified by the concerned Instructor or the Institute for Practical Examination.

Any examinee arriving more than 15 minutes after the commencement of an examination will not be allowed to sit for the examination. No examinee may leave the examination hall less than one hour after the commencement of an examination.

If any student fails to sit for, or is disqualified from, three consecutive examinations (including the scheduled examination) the enrolment will be cancelled and the student will have to seek fresh admission on payment of applicable course fees, provided the course exists at the relevant time.

Cheating of any sort during monthly or semester exams will not be tolerated in any way. Students' answer scripts will be rejected if found to have been copied from one another and at the time of evaluation this will be strictly followed by all evaluators.

Use of unfair means at the time of examination will result in the suspension or cancellation of the result subject to the decision of the review committee. The student shall have the right of defense at this committee.

Examinees are forbidden strictly for using mobile phones or electronic communication gadgets during examination hours.

Instructions of examination procedure detailed on the top of answer sheets of respective examinations and elsewhere must be followed strictly by the examinees.

Instructions to examine, as mentioned in the examination programmed and on the reverse page of Admit Card must be followed strictly.

EXAMINATION FOR COMPUTER

SCVSR has introduced both online and off line examination system. The enrolled students can apply for examination at own institution after completion of course.

EXAMINATION & RESULT

The minimum qualifying marks for course/module are as follows –

Practical =50 theory =50 total =100

Course Term End Examination

Diploma Course 50% | Certificate Course 50%

After qualifying all the exams, the students are awarded grades as per their percentage of marks obtained

Percentage	Grade
> = 90%	O
> = 80% to < 89%	A++
> = 70% to < 79%	A+
> = 60% to < 69%	A
>=50% to<59%	Fair

REVIEW OF ANSWER SCRIPTS

Any student not satisfied with the assessment of one or more answer script(s) may apply for review of the script(s) within 15 days from the date of publication of the result. The application must be accompanied by a fee of Rs.250/- (Rupees Two Hundred Fifty Only) per paper. The result of the review will be announced within 30 days from the date of receiving application

RESULT PUBLISH

Students can view their result within 20 days of commencement of examination from our website (www.scvsvr.org). Certificate will be awarded by SCVSR only after the successful completion of the course which will be valid for employment all over India

INSTITUTE'S BENEFITS

1. Submission of Franchisee Application.
2. Full Payment of Registration Fees.
3. Sign in Deed of Agreement for Franchisee.
4. One Year Authorization Centre Certificate.
5. Visiting Card (Authorized Learning Centre Head).
6. Student Information Boucher.
7. Publicity Campaign of the Centre (some of the following):
 - a. Banners.
 - b. Posters.
 - c. Leaflets.
 - d. Launch advertisement.
 - e. Admission advertisement.
8. Students Registration Form, Sample Certificates and Mark Sheet, Cash Received Copy, Exam Paper, Sample Book.
9. Registration and Exam Fee Chart Etc.
10. 100% Placement Assist through our own Job Portal.
11. Our certificate valid in all over India.
12. Local marketing supports nearby our study centre.
13. All student get updated information through message.

INSTITUTES WILL GET

1. Agreement Paper.
2. SCVSR Authorized Study Centre Certificate.
3. Information Brochure and Registration form.
4. Institute detail on our website www.scvsvr.org
6. Flax (without frame) of size 6 x 3 with ALC Branding.
7. Sample Mark sheet, Certificate, I-Card, Registration certificate.

OUR AFFILIATIONS

1. Registered as Autonomous Body, Under Govt. Of West Bengal based on Central Govt. TR Act, 1882, Govt. Of India.
2. ISO 9001:2015 Certified Autonomous Body.
3. Inspired by National Task Force On IT & SD .
4. GOVT of India-Labour & Employment Ministry.
5. Registered Under Department Of Labour GOVT of NCT(Delhi).
6. Registered Under MSME, Govt. India.

STUDENT BENEFITS

1. Quality education provided at their affordable fees charge.
2. Online and Offline exam at our ASC.
3. Globally accepted Certificate after the completion of course.
4. Value added on services like personality developments, Multilanguage learning.
5. Free Live Project Training for Scholars.
6. Free placement assistance.
